TODAY'S WORD

You may have a situation that you have been praying about for a long time. Maybe it is to see your family restored, to lose weight, to get out of debt, to get married, for the fruit of the womb, or to save your business. But it does not look like it is ever going to change, and you get discouraged and think, "It's never going to happen. I just have to accept it."

No, just because it hasn't happened yet doesn't mean it's not going to happen. You need to stir up your faith and get ready for GOD to show out in your life. He knows how to bring you new customers, to break that addiction, to give your ideas and creativity, and to bring new talents out of you. He is called Jehovah Jireh, the LORD our Provider. One touch of His favor can turn it around. Keep praying, keep believing, keep expecting, and keep honoring GOD. When you believe, it allows the Creator of the universe to go to work.

A PRAYER FOR TODAY

Father, thank You that You are Jehovah Jireh, the Lord my Provider. Thank You that I can set my trust in You completely, that I am coming into my due season. I believe and declare that this is my time for breakthroughs and to be amazed by Your goodness. In JESUS' Name, **Amen**.
